Wireless Ergonomic Optical Mouse 6D (Buttons), 2.4GHz, rechargeable battery Color: black

The Digitus ergonomic wireless mouse makes it possible to maintain the natural arm and hand position, no matter whether you are working for a long period of time or surfing. The vertical design promises softer movements and relieves the joints. As a result, the source of arm, shoulder and back pains is combated as an auxiliary effect. The fully rubberized coating prevents the hand from slipping, even when working for a long time. Thanks to the rechargeable li-ion battery, the regular change of batteries is eliminated, which saves on the wallet as well as the environment. The integrated rechargeable battery, with its 300 mAh, offers an operating time of up to 50 days with normal usage behavior. The mouse itself offers 6 buttons as well as three adjustment possibilities. Work, surf and play more healthily - with the DIGITUS ergonomic wireless mouse!
