Blitz the extra mile

14" For Student | Working people

Intel® Core™ i5 processor | Extremely Portable | NanoEdge display | 12 hours battery life | 180° hinge design | USB Type-C | Backlit keyboard

Blitz the extra mile

Simplify your life with the sleek and stylish ASUS Chromebook C425, the 1.3kg-light 14-inch laptop that has all the power to make light work of your daily tasks. Powered by up an Intel® Core™ i5 processor, ASUS Chromebook C425 boosts your productivity and lets you have more fun on the move — wherever you are, whatever you're doing. Its compact NanoEdge design pops easily into any bag, and its all-day battery eliminates power-outlet anxiety for a worry-free lifestyle. Preloaded with the best of Google, ASUS Chromebook C425 is your easy-to-use gateway to the immense variety of apps on the Google Play Store for work or play.

Immersive visuals

The 14-inch NanoEdge display on ASUS Chromebook C425 has 5.5 mm-slim bezels that give users more display area in less physical space, giving a near-borderless viewing experience. The crisp, clear high-resolution FHD display has a wide 178° viewing angle for excellent shared viewing experiences creating a beautifully immersive workspace for more enjoyable productivity, creativity and entertainment.

Powerful on-the-go performance

Powerful up to Intel® Core i5 processors with up to 8GB RAM give ASUS Chromebook C425 great on-the-go performance for popular apps, including G Suite and other productivity apps from the Google Play Store. And the extraordinary 12hrs battery life lets you work or play anytime, with no need to constantly worry about finding a power outlet.

Easy app access with Google Play

As well as featuring the best of Google out of the box, ASUS Chromebook C425 gives you full access to the Google Play Store, so you can use all your favorite Android™ apps for work, play, or creativity — and thanks to the seamless cloud integration, you can easily access everything from any device. ASUS Chromebook C425 opens up a whole new world of freedom!

Convenient smart design

ASUS Chromebook C425 has a 180° lay-flat hinge that allows it to be fully opened and laid completely flat on a desk or table, making it easy to share ideas and designs when you're collaborating with your friends or colleagues. Two full-function any-way-up USB 3.1 Gen 1 Type-C™ (USB-C™) ports make it easy to charge your ASUS Chromebook C425 or connect it to devices and external displays. ASUS Chromebook C425 has a full-size backlit keyboard, with long-travel keys that make typing more comfortable and more accurate.
