Strong, stylish and light

Featuring a premium look and feel, with a profile that's just 16.1mm thin and using solid aluminum alloy to keep the weight down to just 1.2kg, ASUS Chromebook C423 is designed to for effortless mobility. It's your take-anywhere companion that's always ready to go wherever your day takes you!

Breeze through your tasks

Featuring powerful quad-core Intel® processors, ASUS Chromebook C423 delivers great performance for popular apps, with extraordinary battery life. Combined with the full power of G Suite and other productivity apps from the Google Play Store, ASUS Chromebook C423 lets you breeze through all your everyday tasks on the go.

Stunning vision and Powerful sounds

The stunning 14-inch up to FHD NanoEdge display has an ultra-narrow 5.8mm bezel, and features a matte anti-glare coating[4] to reduce annoying reflections. The result is a laptop with an impressive 78% screen-to-body ratio that minimizes size while helping you maximize productivity. With dual high-quality stereo speakers and extra-large resonant chambers that generate high-fidelity audio, it can deliver surround-sound effects with crisp and powerful sound for both music and video streaming.

Durable 180° hinge

With its 180° hinge, ASUS Chromebook C423 can be laid flat to share content easily with friends and colleagues. Its unique, durable hinge design has been subjected to a grueling 20,000-cycle open-and-close test to ensure long-term reliability.
