DIGITUS Modular console with 19" TFT (48,3cm), 1-port KVM & Touchpad, turkish keyboard

DS-72211-1TR
EAN 4016032449850

Modularized 48,3cm (19") TFT console with 1 port KVM, TR keyboard, RAL 9005 black

Due to its modular design, the DIGITUS® 19" TFT console offers a multitude of individual configuration possibilities, so that it can be adjusted to the area in which the console is being used. As a result, the console is economical and can be upgraded and/or converted at any time with further modules. Due to the flexible configuration, a high level of future security of the console is thus guaranteed. The modular console consists of a 19" monitor, 1-port KVM switch, keyboard and the touchpad.
