

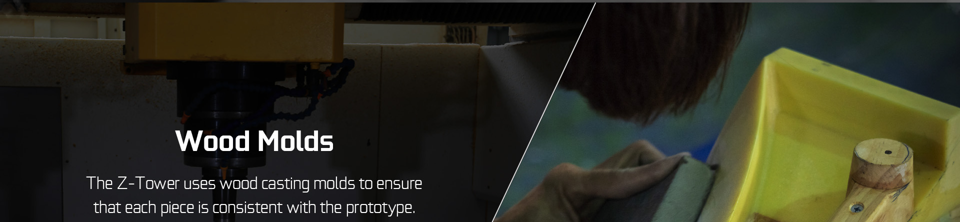
Z-Tower: Pure, Architectural Art

The Z-Tower is InWin's latest addition in the signature chassis series,
inspired by the aesthetics of architecture and quality materials.
Feel the harnessed power emit through the strengthened skeletal structure.
Create greatness by utilizing the Z-Tower's pure, artistic and asymmetrical design.

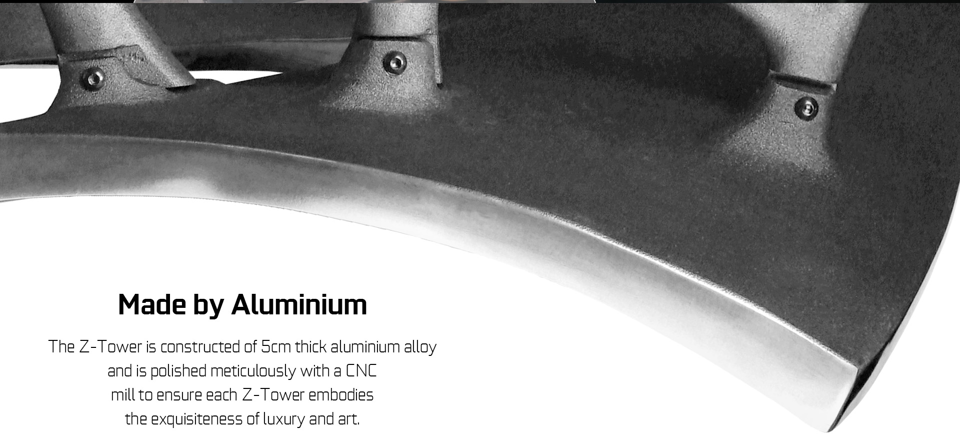


Wood Molds

The Z-Tower uses wood casting molds to ensure that each piece is consistent with the prototype.

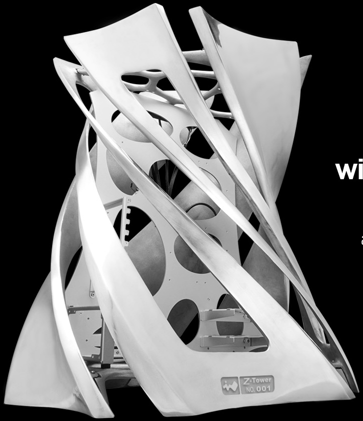
Sand Casting Process

The Z-Tower is made from a complicated sand molded casting process.
In foundry, the craftsmen pour the molten aluminium into the tooling to form the pieces of the initial shape of the Z-Tower. Once cooled, the CNC machine is applied to refine and finish them into a smoother surface.



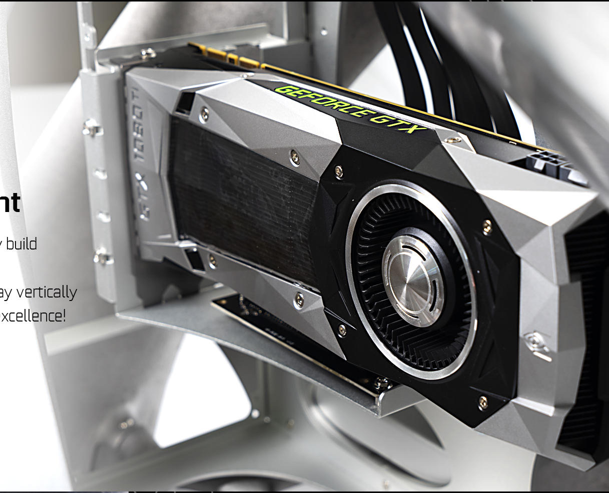
Made by Aluminium

The Z-Tower is constructed of 5cm thick aluminium alloy and is polished meticulously with a CNC mill to ensure each Z-Tower embodies the exquisiteness of luxury and art.



Hollow Structure with Excellent Thermal Solutions

The hollow structure improves heat dissipation,
and airflow is effectively channeled to ensure excellent
ventilated performance.



Dual GPU Placement

One of the most satisfying parts to any build
is the view of the beloved GPU.
The Z-Tower gives users the option to display vertically
or horizontally. All that's left to do is build excellence!

Z-Tower
NO. 001

Ultra-Rare Limited Edition

Each Z-Tower will be engraved
with an individual limited-edition serial number
to enhance the collection value.

Highly Expandable for Superb Performance

Supports the latest high-end graphics cards,
CPU heatsink and
motherboards E-ATX (12"x13").

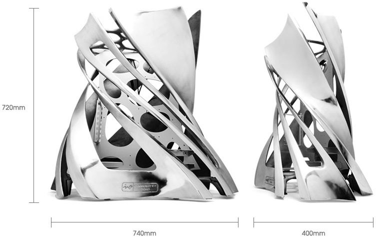
Specifications



Model	Z-Tower
Part Number	IW-ZTOWER-SIL
Color	Silver
Case Type	Full Tower
Material	Aluminium
M/B Compatibility	12" x 13" E-ATX, ATX, Micro-ATX
Expansion Slots	PCI-E x 8 Vertical PCI-E x 2 (1 Riser card included in package)
Maximum Compatibility	VGA Card Length : 340mm (Maximum) VGA Card Width: 158mm (Maximum) Vertical Display VGA Card Height: 140mm (Maximum) CPU Heatsink Height : 170mm
Top Ports	1x USB 3.1 Gen2 Type-C 2 x USB 3.0 HD Audio
Internal Drive Bays	2 x 2.5"/3.5"
Thermal Solution Compatibility	3 x 120mm Top Fans 1 x 360mm Top Radiator (Fans & Radiator Height: 115mm Maximum)
Power Supply Compatibility	PSII: ATX12V and EPS12V - Length: 210mm Maximum
Product Dimensions (H x W x D)	720 x 400 x 740mm 24.4" x 15.8" x 29.2"
Package Dimensions (H x W x D)	875 x 625 x 920mm 34.5" x 24.6" x 36.2"
Net Weight	42kg / 93lb
Gross Weight	72.5kg / 160lb

* InWin products comply with RoHS regulation.

* Specifications may vary based on different regions.
