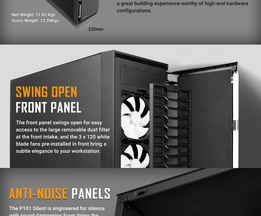
The Silent Guardian
P101 SILENT
Silent Mid-Tower PC Case

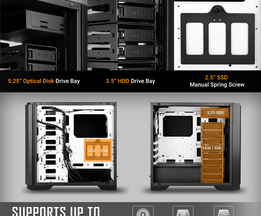


DISTINCTIVE REFINEMENT

Functionality and sleek minimalism blend seamlessly in the P101 Silent, a mid-tower ATX case with a well-crafted exterior and a practical internal configuration. The P101 Silent ATX case is engineered to satisfy both performance and silence seekers while ensuring a great building experience-worthy of high-end hardware configurations.

SWING OPEN FRONT PANEL

The front panel swings open for easy access to the large removable dust filter at the front intake, and the 3 x 120 white blade fans pre-installed in front bring a subtle elegance to your workstation.



ANTI-NOISE PANELS

The P101 Silent is engineered for silence with sound dampening foam lining the top, front, and side panels.
