Dual Monitor Stand - Ergonomic Free Standing Dual Monitor Desktop Stand for two 24" VESA Mount Displays - Synchronized Height Adjustable - Double Monitor Pole Mount - Silver

Product ID: ARMDUOSS

Increase your productivity and free up desk space with this dual-monitor stand. The free-standing mount lets you install two displays up to 24”, side by side,on a single basethat you can place in virtually anyworkspace. The silver finish adds a designer touch to your office decor.

Set up a dual-monitor workstation with this VESA monitor stand (75x75, 100x100 mm) to boost your productivity. Compare and edit files on two screens with ease. Rotate your monitors 360 degrees for portrait or landscape viewing.

Maximize the surface area on your desk with the twin monitor stand. Its crossbar design makes it easy to mount two flat-panel displays. The monitor stand features a low-profileflat back so you can position your displaysagainst an office wall or cubicle wall to free up space.

The crossbar design of the dual-monitor stand keeps your monitors perfectly aligned for comfortable viewing. You can customize the positioning of your displays with +/-15 degree tilt. You can also adjust the height of the monitors along the pole, up to 15.9" (40.5 cm).

The robust steel and aluminum monitor stand provides a stable set-up for your workstation. The sturdy platform also allows flexible use as a temporary setup, for instance, to make presentations in the boardroom.

ARMDUOSS is backed by a 5-year StarTech.com warranty and free lifetime technical support.

Certifications, Reports and Compatibility

RoHS Compliant

CE

Applications

• Add two monitors to your workstation to complete your tasks quicker
• Maximize desk space by mounting both of your monitors on a single base
• Low-profile base with attractive silver finish works well in offices or cubicles
