Less weight, more battery

ZenBook 14 Ultralight weighs a mere 980 g and is designed for effortless on-the-go productivity, with a highly portable lightweight design and an outstanding battery life that frees you to concentrate fully on tasks.

Superb all-round performance

The latest 11th Generation Intel® Core™ processors in ZenBook 14 Ultralight deliver enhanced performance for effortless multitasking or entertainment, with integrated Intel® Iris® Xe graphics for silky-smooth visuals. ZenBook 14 Ultralight also features ultrafast storage, with up to a 1 TB PCIe® 3.0 x4 SSD or a PCIe SSD accelerated with 32 GB of Intel® Optane™ Memory H10. ZenBook 14 Ultralight has superb all-round performance that makes any task easier.

Immersive four-sided NanoEdge displa

ZenBook 14 Ultralight features a frameless four-sided NanoEdge wide-view display, with slim bezels that create a 92% screen-to-body ratio for incredibly immersive viewing experiences. This bright and clear display has a wide, 100% sRGB color gamut to ensure vivid colors.

Efficient NumberPad 2.0

ZenBook 14 Ultralight is available with the innovative ASUS NumberPad 2.0, a dual-function touchpad with an integrated LED-illuminated numeric keypad. Even when NumberPad is activated, the touchpad can be used for cursor control thanks to its intelligent software.
