1TB	1700 (11.322X)	1600

Please note:

1. CFexpress 2.0 memory cards should only be used in CFexpress 2.0 compatible devices
2. CFexpress 2.0 memory cards are NOT compatible with cameras and other devices that use Compact Flash memory
3. CFexpress 2.0, CompactFlash and CFast cards may look similar but they have very different interfaces, pin arrangements and should be treated as separate incompatible memory card formats.
4. CFexpress Type B cards have the same dimension and connector as XQD cards. Some host devices may choose to update their XQD cameras to also support CFexpress Type B cards.
