

# Built-In-Slicer AES 72 SR

**for installation in standard drawers with a cabinet width of at least 45 cm**

Prerequisite: clear width > 344 mm

Distance bottom of drawer to top of worktop min. 116 mm, max. 161 mm

The built-in food slicer AES 72 SR made of full metal provides for more stability and top slicing results. The electropolished serrated blade slices even more precisely. The two-finger switch-on system increases safety. Thanks to the bayonet quick-acting lock the blade may be taken off without tools for cleaning.

## Features

- food sliced from right to left
- full metal construction
- serrated blade with electropolished polished surface, 17 cm Ø
- slice thickness adjustable up to approx. 14 mm
- two-finger switch-on safety system
- switch for intermittent and continuous operation
- automatic folding lock when slice thickness is set
- food collecting tray made of stainless steel
- holding device / bracket for finger protector and remnant holder
- folding up fixture locks automatically
- VDE / GS approval, safety category 2, CE
- 230 V, 65 W, duty cycle 5 min
- weight 4,3 kg

## Dimensions

height: 75 mm, width: 342 mm, depth: 365 mm

## Optional

smooth ham- and sausage blade

## Warranty

2 years, product made in Germany

## Item No. / GTIN

546.000 / 40 04822 546001
