

14 ft CAT6a Ethernet Cable - 10 Gigabit Shielded Snagless RJ45 100W PoE Patch Cord - 10GbE STP Category 6a Network Cable w/Strain Relief - Gray Fluke Tested UL/TIA Certified

Product ID: C6ASPAT14GR

This 14-foot Cat6a cable meets or exceeds all Category 6a cable specifications to ensure reliable 10Gb network connections. The cable is shielded to protect your network against electromagnetic interference (EMI/RFI) and system noise, providing the perfect solution for fast and safe network connections.

Each cable is tested for up to 500 MHz frequency and is more than suitable for 10GBase-T Ethernet networks.

Constructed with 100% copper and foil-shielded, twisted-pair wiring, this cable was built for quality performance. The cable is designed to keep the data signal traveling through your network free from interference and is perfect in environments that are prone to large amount of EMI.

The 50-micron gold connectors deliver optimum conductivity and eliminate signal loss due to oxidation or corrosion.

For easier cable runs, the snagless connectors protect the RJ45 clips during installation, making them less likely to snag or break. This ensures a sturdy connection by preventing the cable from becoming loose from the port.

Plus, the molded boots offer strain relief that stops the RJ45 connector termination points from bending at sharp angles, which reduces the risk of damage to the cable that could decrease network performance.

The C6ASPAT14GR is backed by StarTech.com's lifetime warranty for guaranteed reliability.

Certifications, Reports and Compatibility

Applications

- Schließen Sie PoE-fähige Geräte an 10Gbit-Netzwerke an
- Schließen Sie Server an ein Speichernetzwerk (Storage Area Network - SAN) an
- übertragen Sie Daten, Sprache und Video über 10Gigabit-Netzwerke
- Schaffen Sie Verbindungen zwischen Computern, Hubs, Switches, Routern, Druckservern und Patchpanels

Features

- **HIGH PERFORMANCE CAT6a Ethernet CABLE:** 100% copper for consistent & error-free 10 gigabit connection. Fluke tested complies with ANSI/TIA-568-D Category 6 requirements. ETL & UL certified wire
- **PROTECT YOUR NETWORK:** Shielded RJ45 connectors minimize Near-End Crosstalk (NEXT) & protect against noise & electromagnetic (EMI/RFI) interference compatible w/ multi-speed 10Base-T/100Base-T generation
- **SPECS:** 10 GbE Length: 14 ft (4.3 m) Color: Gray Structure: 4 Pair STP Connector: Snagless Jacket Type: PVC Wire Gauge: 26 AWG Copper Wiring Standard: ANSI/TIA-568-D Warranty: Lifetime
- **POE SUPPORT:** 26 AWG stranded copper conductors & UL rated wiring supports up to 100W for PoE devices like VOIP phone & security systems. IEEE 802.3bt & DTE power compliant prevents cable heating up
- **QUALITY CONSTRUCTION:** 50-micron gold-plated connectors for clear signal & to stop rust/corrosion. Snagless connector enables easy installation & flexible disconnection of patch cord in wiring conduits

Hardware	Warranty	90 Days
	Anzahl von Leitern	4 Pair STP
	Typ der Kabelummantelung	PVC - Polyvinyl Chloride
	Typ der Kabelabschirmung	Aluminum-polyester foil
	Feuerwiderstandssklasse	CMG Rated (General Purpose)
	Kabeltyp	Shielded Snag-less
Leistung	Kabelnennwerte	CAT6a - 10Gbit/s
Steckverbinder	Steckverbinder A	RJ-45
	Steckverbinder B	RJ-45
Physische Eigenschaften	Farbe	Gray
	Drahtstärke	26 AWG (0.404 mm)
	Leitungstyp	Stranded Copper
	Kabellänge	14.0 ft [4.3 m]
	Produktlänge	14.0 ft [4.3 m]
	Produktgewicht	6.9 oz [195 g]
Verpackungsinformationen	Package Length	7.7 in [2.0 cm]
	Package Width	1.2 in [30 mm]

Package Height 8.3 in [2.1 cm]

Versandgewicht
(Verpackung) 6.9 oz [195 g]

Verpackungsinhalt	Im Paket enthalten	14 ft Gray Shielded Snagless 10 Gigabit Cat 6a STP Patch Cable
