# CORSAIR Hydro X Series XL5 Performance Coolant 1L

## Features

### Style 1

- Choose from a stunning range of vibrant colors to complete your custom cooling system and enhance your build.
- Long lasting pre-mixed performance coolant is ready to go right out of the bottle, with no additional additives or inhibitors required.
- Protects copper, brass, and nickel with advanced anti-corrosion and anti-bacterial inhibitors.

### Style 2

- **Vibrant Translucent Color:** Choose from a stunning range of vibrant colors to complete your custom liquid cooling loop and enhance your system.
- **Long Lasting Pre-Mixed Performance Coolant:** Pre-mixed and ready to go right out of the bottle, with a long-life composition.
- **Protects Copper, Brass, and Nickel:** Won't tarnish or damage your blocks, fittings or tubing, with advanced anti-corrosion and anti-bacterial inhibitors.
