TAA5608BK

You move, they won't

Hit that rhythm with the wireless headphones that won't fall off no matter how you move! These open-ear sports headphones are super light, super comfortable and tough. Plus, they let you hear everything that's happening around you.

Open-ear headphones. You move, they won't.

- Open-ear fit. Move it like you mean it
- Bone conduction. Sound without earphones
- Clearer calls on the go. They'll hear you, not the noise

For your kind of active life

- Be seen. LED safety lights
- Get out there. IPX5 water resistant
- Better connectivity. Next-generation Bluetooth

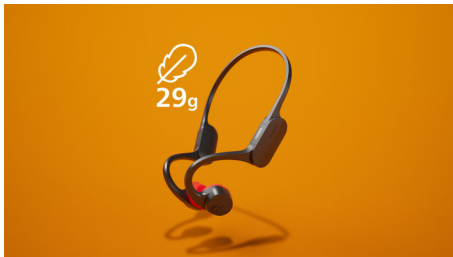

Always ready. Always yours.

- Ready for you. 6 hours of play time
- Charge for 15 minutes, get an extra hour
- Philips Headphones app. Custom sound control and more
- Carry pouch included

PHILIPS

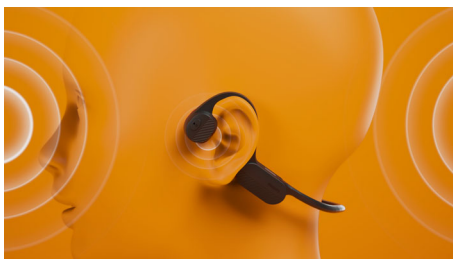

Highlights

Open-ear fit

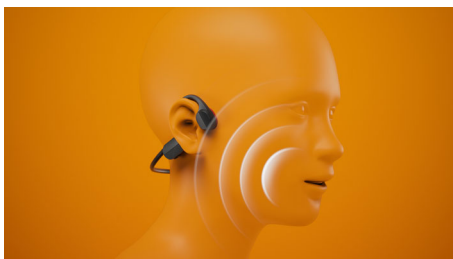

Run, jump, ride! These open-ear headphones won't fall off when you get moving. The neckband wraps around the back of your head and loops over the top of your ears to hold them comfortably in place: they won't move, even when you go for it. Plus, they're so light you'll barely feel them.

Bone conduction

Bone conduction technology transmits sound through the bones of your skull, which means you don't need to put earbuds in your ears or wear headphones that cover your ears. Instead, the sound travels from your cheekbones directly to the inner ear — and your music magically appears in your head!

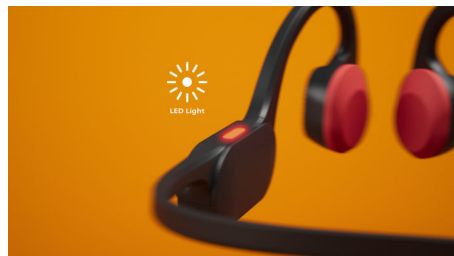

Clearer calls on the go

When you're on a call, beamforming mics accurately pick up the sound of your voice

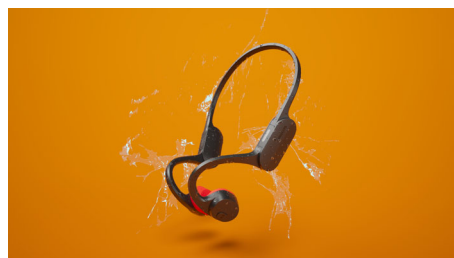

while an AI algorithm removes background noise from the world around you. The person you're speaking to will hear you, not the traffic or the chatter of the people next to you!

Safety LED lights

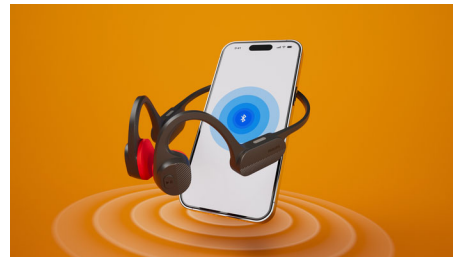

Run at night. Hike a mountain trail at dusk. Or cycle in the woods. LEDs on the frame mean that you'll stay visible in dim environments. You can control the LEDs via the Philips Headphones app or via the on/off button on the frame.

IPX5 water resistant

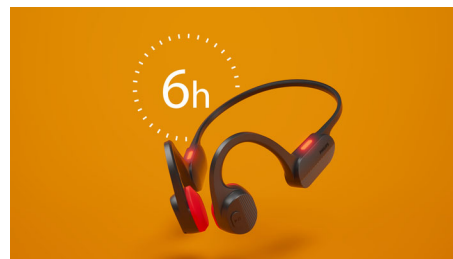

An IPX5 rating means that these open-ear headphones don't mind a drop of rain or even a downpour, so they'll never give you an excuse to stay on the sofa! If you get a sweat on in the gym, they won't mind that either. When you're done and the headphones are dry, store them in the soft carry pouch.

Next-generation Bluetooth

These earbuds will work with devices that support Bluetooth LE Audio and the LC3 codec to give you a steadier connection wherever you are. The sound won't dip if you're streaming music or taking calls in built-up areas, and there's virtually no lag when watching movies or gaming.

6 hours of play time

Pick up, rock on. With 6 hours of play time from a single charge, these bone-conducting, open-ear headphones are good to go for multiple workouts. A full charge takes just 2 hours. For a quick extra boost, just 15 minutes of charging gives you an extra hour of play time.

Philips Headphones app

The Philips Headphones app lets you control the LED lights and puts you in charge of the music you're listening to. You can choose from preset listening styles or use the equalizer to fine-tune your sounds to fit your workout.

Specifications

Sound

- Impedance: 8 Ohm
- Speaker diameter: 15 mm
- Sensitivity: 88 dB (1 kHz)
- Frequency range: 130–16 000 Hz
- Maximum power input: 300 mW
- Driver type: Dynamic

- Microphone for call: 2 AI mics

Connectivity

- Bluetooth version: 5.3
- Supported codec: SBC, LC3
- Maximum range: Up to 10 m
- Bluetooth profiles: A2DP, AVRCP, HFP
- Multipoint connection

Convenience

- Philips Headphones app support
- Firmware updates possible
- Water resistance: IPX5
- Type of controls: Button
- Volume control

Design

- Colour: Black
- Ear fitting: Bone-conducting
- In-ear fitting type: Open fit

Power

- Music play time: 6 hr
- Battery type (Headphones): Lithium Polymer (Built-in)
- Battery capacity (Headphones): 140 mAh
- Battery life standby time: 80 hr
- Charging time: 2 hr

- Fast charging time: 15 mins for 1 hr
- Number of batteries: 1 pcs
- Battery weight (Total): 3 g
- Rechargeable

Accessories

- Charging cable: USB-C charging cable, 200 mm
- Others: 1 pcs soft pouch
- Quick Start Guide

Product dimensions

- Product dimensions (W x H x D):
12.94 x 4.73 x 10.05 cm
- Weight: 0.029 kg

Outer Carton

- Number of consumer packages: 3
- Outer carton (L x W x H): 20.2 x 18.5 x 19.5 cm
- Gross weight: 0.941 kg
- Net weight: 0.192 kg
- Tare weight: 0.749 kg
- GTIN: 1 48 95229 13148 1

Packaging dimensions

- Packaging type: Carton
- Number of products included: 1
- Type of shelf placement: Hanging
- Packaging dimensions (W x H x D):
17 x 19.8 x 6.1 cm
- Gross weight: 0.221 kg
- Net weight: 0.064 kg
- Tare weight: 0.157 kg
- EAN: 48 95229 13148 4

UPC

- UPC: 8 40063 20308 2

Issue date 2023-05-12

Version: 2.0.1
