Multi Grill | Sandwich / Waffle / Grill | 800 Watt | Black

General information

This versatile Nedis® multi grill comes with three interchangeable grill plates to cook just about everything, from making sandwiches, toasties, waffles and paninis, to grilling bits of meat and vegetables.

The anti-slip feet make sure the grill stays firmly in place and with a cool-touch handle, you can use it safely.

It has two indicator lamps so you know when the grill is ready to be used and when your sandwich is done.
If you’re finished, store the grill upright if you want to save room on your kitchen counter top.

All plates have a non-stick coating and are completely removable so cleaning up afterwards becomes super easy.
