- **Cable management:** Keeps cables neat and organized.

Description

The equip 650635 Mobile TV Trolley with Pegboard Shelf is a robust and flexible display solution designed for 50–90 inch screens. Built with a durable steel structure, it supports displays up to 60kg and is fully VESA compliant up to 600 x 400, making it suitable for a wide range of commercial environments including offices, classrooms, exhibition halls, and retail spaces.

The integrated pegboard storage panel provides convenient organization for accessories, media devices, and presentation tools. A height-adjustable TV mount allows users to set the ideal viewing position, while the free-tilting and swiveling design supports multiple angles for improved visibility. An additional lower storage shelf offers extra space for equipment or essentials, enhancing functionality for daily use.

Heavy-duty lockable casters enable smooth mobility and secure placement once positioned. Internal cable management routes cables neatly through the frame, maintaining a clean and professional appearance. Combining mobility, stability, and organized storage, the 650635 delivers a complete and efficient display solution for modern presentation and signage needs.
