

Gaming Mouse & Mouse Pad Set | Wired Mouse | 1600 DPI | 6 buttons

General information

The perfect starter kit for gamers from Nedis® offers a precision gaming mouse and super-smooth, non-slip mouse pad.

A precision six-button gaming mouse offers all the control you need, with an optical resolution of up to 1600 dpi. The beautiful ergonomic design has not sacrificed comfort for durability: there's more than 3 million strokes in this mouse. Perfectly partnered with this super-smooth mouse pad that allows the mouse to glide over its surface but will always stay in place thanks to its anti-skid other side.

Use this kit to give your gaming life the edge.

Features

- Connects directly to the USB port of your computer
- High-precision optical sensor with 3 settings up to 1600 dpi
- 6-button design
