MASTERBOX K500 PHANTOM GAMING EDITION

MCB-K500D-KGNN-ASR

FAST / MYSTERIOUS / UNBEATABLE

FEATURES

Phantom Gaming Edition: The MasterBox K500 joins the Phantom Gaming line, carrying the design on the front panel and both of the side panels.

Efficient Thermal Performance: A partial meshed front panel and ventilation holes on top of the case give your parts fresh air to breathe.

RGB Lighting Effects: Two 120mm RGB fans behind the mesh, two RGB lighting accents on the front panel and the RGB power button create a lighting system to show off your unique gaming build.

RGB Lighting Control: One RGB controller can directly customize the lighting even without an RGB-ready motherboard.

1-To-5 Splitter Cable For RGB LED Fans: The RGB Connector Splitter and 4-pin male-to-male adapters are included. Certified compatibility with ASRock motherboards.

Edge-to-Edge Tempered Glass Side Panel: Show off your build in style and have easy access to your components.

Versatile Cooling Options: Support for up to six 120mm fans and front and rear liquid cooling ensure you don't have to compromise on performance.

Graphics Card Support Up To 400mm: Supports the latest, widest cards you can get.

Black Coated Frame & PSU Shroud – A black coated frame and PSU shroud neatly displays system builds.

The MasterBox K500 Phantom Gaming Edition unifies the Phantom Gaming lineup as a system. Each component aligns in form and function to push the limits of performance.

With a partial mesh front panel, 400mm of graphics card space, support for six 120mm fans, and front and rear water cooling support, there's nothing budget about the benchmarks you can reach. Take advantage of generous cable routing clearance, full black coating, and a PSU cover to show off your build through an edge-to-edge tempered glass panel.

An included RGB controller, pre-installed RGB fans, and RGB accents on the front panel create a lighting system to go along with any preferred color theme. Properly show off your Phantom Gaming gear with the specialized MasterBox K500 Phantom Gaming Edition.

SPECIFICATIONS & PACKING INFORMATION

Product Number		MCB-K500D-KGNN-ASR
