

SKILLER SGK25

As part of your setup and during the game, the SKILLER SGK25 will always impress thanks to the stylish 75 percent layout as well as the customizable switches and lighting. For an even better keyboard experience, there is a rotary knob for quick volume adjustment as well as pre-lubed linear switches and shine-through, abrasion-resistant, double-shot keycaps.

Features

PRE-INSTALLED LINEAR SWITCHES

For an optimal gaming experience, the SKILLER SGK25 is already equipped with pre-lubed, red switches from Huano.

CUSTOMIZABLE TYPING EXPERIENCE

If you like to try out other switches depending on taste, genre and intended use, then any hot-swappable switch with 3 or 5 pins can be used with the SKILLER SGK25. The necessary hot-swap tools are already included with the keyboard.

KEYCAPS WITH DOUBLE-SHOT TECHNOLOGY

The shine-through keycaps of the SKILLER SGK25 are made of ABS, which has been manufactured using double-shot injection technology for optimal abrasion resistance.

PRACTICAL ROTARY KNOB

Thanks to the practical rotary knob, the volume of the active game or the ongoing voice chat can be quickly adjusted whenever required.

COMPACT FORM FACTOR WITHOUT NUMBER PAD

The SKILLER SGK25 is a chic-looking, compact keyboard with a 75 percent layout that makes no compromises on functionality thanks to the double assignment of important keys.

FULLY ADJUSTABLE RGB ILLUMINATION

The illumination of the SKILLER SGK25 is fully and easily adjustable directly on the keyboard –without the need for software.

Specifications
