Package Contents:

J1000 ARGB, Accessory Set

* Without front fan

Safety Instructions

The device is intended as a case for PC hardware components in dry indoor areas. For your own safety, always follow the instructions below and make sure that the device is not damaged before use. In addition, only use compatible cables and authorized accessories. The manufacturer's guarantee will be void if the product or any installed hardware components are damaged due to improper use or non-compliance with these safety instructions. Should any problems occur with the product, contact our technical customer support at support@sharkoon.com.

- **WARNING!** Choking or suffocation hazard due to small parts and packaging materials. Keep the device and its packaging materials away from children under the age of 6 years!
- **WARNING!** Risk of injury such as cuts or contusion. Be aware of any sharp edges, openings and moving parts. Use safety gloves while installing hardware.
- **WARNING!** Epileptic seizures caused by flashing lights. Only use the device in well-lit rooms or, if possible, deactivate the device's lighting! If in doubt, seek medical advice before use!
- **PLEASE NOTE!** Risk of breakage due to high surface tension. Do not allow undue points of pressure to occur on tempered-glass panels, such as resting the tempered glass on one of its edges on a hard surface.

Disposal of your old products

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

When this crossed-out wheeled bin symbol is attached to a product, it means the product is covered by the European Directive 2012/19/EU.

Please be informed about the local separate collection system for electrical and electronic products. Please act according to your local rules and do not dispose of your old products with your normal household waste. The correct disposal of your old product will help prevent potential negative consequences to the environment and human health.
