 **ROOMWORLD**  
Living Room

 **SPECIAL FEATURE**  
Room sound optimization

 **TECHNOLOGIE**  
Internet radio, CD player, phono amplifier, DAB+, aptX™ Bluetooth®

MAESTRO, the audiophile all-rounder for your living room: just plug in a pair of speakers and the big hi-fi world is yours. CD player, FM radio, digital and internet radio, as well as streaming services guarantee you a versatile music enjoyment. In addition, the MAESTRO offers an optical, a coaxial as well as a phono connection (MM).

Our MAESTRO can be operated directly on the device, via the remote control or via the UNDOK™ app. The Hypex power amplifiers offer with 2 x 170 watts enough power for all situations and thanks to the room correction app you simply elicit every speaker its maximum acoustic in your living room.
