

Live a vibrant, expressive, and organized life with the Brother P-touch PT-N20 Personal Desktop Label Maker

- **Master the art of bright, vibrant personal expression** with the easy to read 16-character display that eliminates typos and mistakes by providing a label preview BEFORE they're printed.
- **With its portable design and full QWERTY keyboard**, typing is fast, familiar, and comfortable. You can print labels with up to two lines of text with a combined height of 9mm.
- **Personalize your world.** Make every label unique with a pre-loaded selection of 3 fonts, 7 font styles, 15 frames, and 250 symbols; plus it's easy to preview your labels on the display to avoid errors and typos and to minimize waste.
- **Be creative. Be unique. Btag.** This P-touch Label Maker is designed for exclusive use with Brother ~1/2" (12mm) Btag Label Tapes, available in 17 colorful varieties, for a wide range of unique and creative labeling uses.
