# Scan only

# HP ScanJet Pro 3500 f1 Flatbed Scanner

Get reliable, high-speed scanning for complex projects—this scanner can handle 3,000 sheets per day. Scan both sides of the page at up to 50 images (25 pages) per minute.<sup>1</sup> HP EveryPage helps avoid misfeeds and simplifies your workflow.<sup>2</sup>

- Produce up to 50 images (25 pages) per minute<sup>1</sup> with two-sided scanning. Reliably scan 3,000 sheets per day.
- Capture every page easily—even for stacks of mixed media—with HP EveryPage and an ultrasonic sensor.<sup>2</sup>
- Scan documents up to 21.6 x 309.9 cm (8.5 x 122 in) through the ADF, and use the flatbed for bulky media.
- Spend less time waiting—scans reach their destination at fast speeds with a USB 3.0 connection.

### Work smarter with quick, simple scanning

- Define scan profiles for common document types and scan to multiple destinations with HP Scan software.
- · Create one-button scan settings for recurring tasks and make selections using the LCD control panel.
- Quickly share or archive scans directly to popular cloud destinations with HP Scan software.
- Scan directly into applications without opening another program with HP's full-featured TWAIN driver.

## Sharp images and accurate text capture

- Accurately capture text from documents for easy editing with HP Scan and I.R.I.S. Readiris™ Pro OCR software.
- Get sharp, true-to-life scans of documents, graphics, and photos with up to 1200 dpi resolution.
- Book-edge scanning prevents distorted text, even near the spine of books and other bound materials.
- Auto-imaging features in the included HP Scan software let you enhance images and delete blank pages.

<sup>&</sup>lt;sup>1</sup> Scan speeds of up to 50 ipm (25 ppm) measured at 300 dpi (black and white, grayscale, and colour). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

<sup>&</sup>lt;sup>2</sup> HP EveryPage is referred to as HP Precision Feed on HP ScanJet devices introduced prior to May 2013.

## **Technical specifications**

Scan type  Flatbed, ADF; Colour scanning; Yes Up to 25 ppm/S0 jpm (300 dp) (ADF/Petter)  Hardware: Up to 600 x 600 dp) (colour and mono, ADF); Up to 1200 x 1200 dp) (colour and mono, flatbed)  Scan input modes  Scan front-panel function for Save as PDF, Save as JPEG, E-mail as PDF, E-mail as JPEG, Scand to Cloud, Everyday Scan and Save as Editable Text (DCR).
