

MK4W RGB STRIP

Functional and stylish: Despite its compact micro-ATX form factor, the MK4W RGB Strip has plenty of space for modern hardware, room for up to eleven fans, and a tempered-glass side panel that provides a clear view of the installed hardware inside. The front panel has an integrated RGB strip along the base of the air-permeable mesh, providing a visual highlight in 16.7 million colors. On the top panel, the case is rounded off with up-to-date ports for a wide range of mobile and peripheral devices.

Features

- FULL RGB ILLUMINATION**
 Apart from the front panel with its air-permeable mesh grille and RGB strip, the MK4W RGB Strip also has a side panel made of tempered glass to showcase the hardware and the illumination inside.
- STRONG AIRFLOW**
 Four 120 mm fans are already pre-installed in the MK4W RGB Strip – three in the front and one 120 mm RGB PWM fan on the rear panel. Up to eleven fans will find room in the case.
- DUAL-RADIATOR SUPPORT**
 In addition to conventional fans, the MK4W RGB Strip also supports water-cooling solutions. If required, up to two radiators can be operated simultaneously.
- ALSO FOR BTF MAINBOARDS**
 Apart from conventional mini-ITX and micro-ATX mainboards, the MK4W RGB Strip is also compatible with almost all BTF formats on the market.
- GOOD CONNECTIVITY**
 To connect a wide range of mobile and peripheral devices, the MK4W RGB Strip has a modern TRRS and USB-C port on the front of the top panel. In addition, a controller provides the connection and operation of up to four RGB LED components while also serving as a hub for up to four PWM fans.
- PLENTY OF SPACE FOR HARDWARE**
 Thanks to a cleverly designed interior, the MK4W RGB Strip can also accommodate large graphics cards of up to 41 cm. The mounting is conveniently supported by a pre-installed graphics card holder. In addition, CPU coolers with a height of up to 17 cm can be installed, as well as power supply units with a length of up to 23.5 cm. And there is installation space for up to two 3.5" HDDs or three 2.5" SSDs.

Specifications

Product Name	MK4W RGB Strip
Form Factor	Micro-ATX
Expansion Slots	5
Interior Painting	✓
Tool-Free Devices Installation	✓
Cable Management System	✓
Side Panel	Tempered Glass
Graphics Card Holder	✓
Color Versions	Black
Dimensions (L x W x H)	46.0 x 22.5 x 44.5 cm

Max. Drive Bays

2 x 3.5" | 3 x 2.5"

I/O

Type-C (USB 3.2 Gen 2): 1 | USB 3.0 (Top): 2 | Audio (Top): TRRS

Fan Configuration

Front Panel	3x 120 mm Fan (Pre-installed) or Radiator (Optional)
Rear Panel	1x 120 mm Addressable RGB LED PWM Fan (Pre-installed)
Top Panel	3x 120 mm or 2x 140 mm Fan or Radiator (Optional)
Side Panel	2x 120 mm or 2x 140 mm Fan or Radiator* (Optional)
Bottom Panel	2x 120 mm Fan (Optional)
PWM Fan Hub	4-Port

RGB Compatibility

Type	Addressable
Ports	4
Manual Control	22 Modes
Mainboard Compatibility	MSI Mystic Light Sync, ASUS Aura Sync, Gigabyte RGB Fusion Ready, ASRock Polychrome Sync
RGB Pinout	5V-D-coded-G

Compatibility

Mainboard	Mini-ITX, Micro-ATX (BTF)
Max. Length Graphics Card	38.5 / 41.0** cm
Max. Height CPU Cooler	17.0 cm
Max. Length PSU	23.5 cm
Max. Height Radiator incl. Fan (Front) / (Top)	6.0 / 6.0 cm

Package Contents

MK4W RGB Strip, Accessory Set

EAN Code

MK4W RGB Strip Black 4044951041763

* A graphics card length of more than 26 cm may conflict with radiator installation on side panel
 ** Without front fan
