

First Customer Ship Date	15-Nov-22
Product Etail Title	CORSAIR Premium PCIe 4.0 x16 Extension Cable 300mm
Product Title	CORSAIR Premium PCIe 4.0 x16 Extension Cable, 300mm
Product Name	CORSAIR Premium PCIe 4.0 x16 Extension Cable, 300mm
Pre-Order Option	No
Product Imagery	https://corsair.sharefile.com/home/shared/fo1e5188-aa64-43bc-b552-73316f04e8dc

Overview
25 Word Product Description

The CORSAIR Premium PCIe 4.0 x16 Extension Cable 300mm delivers the high bandwidth of PCIe 4.0 while making vertical mounting of your GPU in compatible cases easy.

Overview
50 Word Product Description

The CORSAIR Premium PCIe 4.0 x16 Extension Cable 300mm delivers the high bandwidth of PCIe 4.0 while making vertical mounting of your GPU in compatible cases easy. Fully flexible for easy connection with a 90° female connector, the PCIe 4.0 Extension Cable is EMI shielded to eliminate interference.

Features and Benefits

Style 1

- Take advantage of the advanced bandwidth and powerful performance of PCIe 4.0 x16 for your GPU, up to 64GB/sec.
- A generous cable length of 300mm makes it easy to install your GPU vertically in compatible cases.
- EMI (electromagnetic interference) shielded to eliminate signal interference and ensure maximum performance.
- A 90° female PCIe connector minimizes cable strain and makes fitting a vertically-mounted GPU easy.
- Backwards compatible with PCIe 3.0 systems for use in a variety of builds.

Style 2

- **PCIe 4.0 Bandwidth:** Take advantage of the advanced bandwidth and powerful performance of PCIe 4.0 x16 for your GPU, up to 64GB/sec.
- **Extended Length:** A generous cable length of 300mm makes it easy to install your GPU vertically in compatible cases.
- **EMI Shielded:** Electromagnetic interference shielded to eliminate signal interference and ensure maximum performance.
- **The Right Angle:** A 90° female PCIe connector minimizes cable strain and makes fitting a vertically-mounted GPU easy.
- **Backwards Compatible:** Works with PCIe 3.0 systems for use in a variety of builds.
