InLine® Professional light weight Tripod max. 1.55m black

Artikel 48015P

A professional aluminum construction light weight tripod. The brace and non-slip feet keep it securely in place. Adjustable legs and an adjustable center column. A bubble level ensures your camera be in the right direction which you want. Because of the compact size, low weight and the carrying bag supplied also suitable to take along when traveling

- With crank for continuously variable height adjustment of center column
- Weigh on hook for better traction in the wind and in rough terrain
- Quick release plate for quick changing of the camera

InLine® – Brand of Choice for IT and Electronics Accessories

In our InLine® brand, we offer a high-quality product range targeted specifically at end users. Our product range includes more than 4,000 IT and electronics accessory products which are described in detail on our website. With this brand we provide certified quality and an attractive product range of cutting edge items that is always up-to-date and offers huge variety. Browse through our broad choice of products, and you'll be certain to find exactly what you need, all available in stock. Don't forget to look closer at our woodline product range by InLine® made from genuine walnut wood; these products do not merely look good, but are also great to touch and handle. Our brand's products are recognizable by their uniform green-white packaging and can be purchased in good online shops and selected specialized brick-and-mortar shops – check our website to find suitable purchase sources. With our InLine® brand you may rely upon excellent service including detailed product information, up-to-date drivers, and competent consultation straight from the manufacturer via Live Support.
