

38 CM BATTERY LAWN MOWER

- High-performance cordless lawn mower with a cutting width of 38 cm and 4-in-1 function: mowing, collecting, mulching, drawing in grass at the edge for cutting
- Maintenance-free, particularly efficient brushless motor with longer run time and service life as well as low wear
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless lawn mower
- Suitable for gardens measuring 450 – 500 m²
- Powerful 2x 20 V (40 V)
- Adjustable 6-steps cutting height (25 – 75 mm)
- Ergonomic comfort handle absorbs vibrations
- Large 45 L collection box with filling level indicator
- Robust housing with integrated carrying handle to ensure easy transport
- Battery compartment with safety key and foldable protective hood
- Cut-to-edge design on both sides for clean mowing, even close to the edge where the grass is drawn in for cutting
- Polished blade made of special steel – particularly robust and durable
- High-wheeler – large wheels that are gentle on the lawn ensure a secure grip even in steep terrain
- Foldable and height-adjustable bow handle for space-saving storage and an ergonomic working posture
- Includes mulch insert so the cut grass can be effectively re-used as fertiliser
- Includes 2x 4Ah battery + 4,5A double charger
