

INLINE® WOODSTAND TV PEDESTAL, TRIPOD, FOR LED TV 45“-65“ (114-165CM), MAX. 40KG

With the woodstand, you can showcase your display like an art object. The integrated cable guide with magnetic cover makes cables disappear in the elegant tripod base and allows easy access. The unique design made of real walnut wood makes every woodstand unique.

The sturdy solid wood construction ensures a secure hold. Mounting the display is quick and easy, thanks to the snap lock. The rubber feet provide a secure stand and protect the floor from scratches. The woodstand is suitable for displays from 45“ - 65“ and up to 40 kg.
