HP Slimline Desktop 290-p0503ng

Reliable desktop PC with generous storage

Surprisingly slimmed down, this space-saving desktop could just as easily fit on your desk as under it. With powerful hardware, reliable performance, and generous storage, your everyday computing is something to get excited about.

Elevated everyday performance
Multi-task efficiently and manage all your day-to-day demands with the latest Intel® processor.[1]

Designed to fit in or stand out
Whether you show off your tower or tuck it away, the HP Slim Desktop PC was designed to blend in without dominating your space, thanks to a sleek design and microdot pattern.

Connect and store it all
With tons of ports, dual-monitor support, and ample storage, this desktop is ready to stream your favorite shows, store all of your photos, and connect with anything you're into.

Datasheet

HP Slimline Desktop 290-p0503ng

Featuring

Windows 10
Do great things confidently with the familiar feel of Windows - only better.[18]
Dual display support
Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
5.1 Surround Sound output
With all the necessary ports for true 5.1 surround sound, give your favorite movies, shows, or music more nuanced, immersive sound quality, just by hooking up a Surround Sound speaker setup.

[18] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
