ACCELERATE YOUR CONTENT PRODUCTION

With a bigger screen and wider compatibility, Prompter XL accelerates your content production in virtually any professional studio or camera setup. A bright 15.6-inch display keeps your text readable from across the room, reducing mistakes and reshoots. At your desk, it doubles as a spare monitor, perfect for video conferencing and multitasking in beautiful Full HD.

15.6-INCH DISPLAY

Detaches easily and delivers crisp Full HD

EXTENDED RANGE

Read scripts and text comfortably at a distance

SPARE MONITOR

Use it for video conferencing and multitasking

FITS ANY SETUP

From DSLRs to mirrorless and studio cameras

CAMERA HUB

Control everything in one easy-to-use app

SETS UP QUICK

With a single cable and easy camera mounting

VOICE SYNC

Scroll through scripts at your own natural pace*

TWITCH INTEGRATION

Read and respond to chat right on-screen

STREAM DECK

Streamline your teleprompting with a touch

ACCESSORIZE

Adapts to your setup with optional accessories

**Requires NVIDIA RTX GPU, Apple M1 or better*
