

Rapid Cleaner

Description

Rapid Cleaner is a combination of selected acetone-free solvents for rapid and efficient cleaning and degreasing of structural components in motor vehicles and industrial applications. The low surface tension of this product means that Rapid Cleaner has excellent penetration properties and therefore easily dissolves oil, grease, resin, tar residues and contaminants, even in hidden areas. After the solvent has evaporated, the remaining surface is free from grease and residues.

Properties

- optimizes economical use
- high proportion of active components
- leaves no residues
- low surface tension
- dissolves resin and tar-type residues
- controlled evaporation free of residues
- optimum penetration capacity
- contains no acetone
- universal application
- removes oil and grease-based contaminants
- absolutely free of chlorine

Technical data

Color / appearance	farblos / colourless
Flash point	<21 °C
Density	0,72 g/cm ³
Base	Lösungsmittelgemisch, azetonfrei / solvent mixture, acetone-free
Form	flüssig / liquid

Areas of application

Because of its universal application, Rapid Cleaner has many areas of use in industry, workshop, agriculture, and for hobbies etc.

Brakes:

Drum and disc brakes, linings, shoes, cylinders, springs and pads.

Clutches:

Clutch linings, pressure plates, and clutch components in general.

Transmissions:

Automatic gear change, planet-wheel carriers, oil pumps, brake bands, couplings, and gearwheels.

Assembly and repair:

Carburetors, petrol pumps, engine components, electrical systems such as controllers, generators/alternators, starters. Removes oil and grease spots from floor coverings, materials and linings.

Application

Spray contaminated components and allow to drain. After the solvent has evaporated, the components will be clean and free from grease.

Product may attack paints and plastic components. Check for compatibility before using.

Comment

As this is an industrial product, it may contain traces of denatured alcohol such as isopropanol/ethanol.

Available pack sizes

5 l Canister plastic	3319
	D-GB-I-E-P
5 l Canister plastic	1840
	D-NL-F-GR-ARAB
5 l Canister plastic	2824
	GB-DK-FIN-N-S
5 l Canister plastic	3956
	D-RUS-UA
60 l Drum sheet metal	3333
	D-GB
60 l Deposit container	6586
	D-GB
196 l Drum sheet metal	4013
	D-GB
