HOT AIR FRYER *XL*

versatile, efficient, up to date

Healthier frying, roasting, baking!

ROMMELSBACHER

Discover a new way of cooking with the FRH 1500 hot air fryer! It is the ideal choice for low-fat, healthier preparation of snacks and small quick dishes. From fries, rolls, wings, and muffins over to steaks and cakes and from piquant to sweet taste - versatile dishes, side dishes, finger food and snacks can be prepared in a low-fat, time- and energy-efficient way. The compact appliance in optimised design cuts a fine figure in any kitchen. The innovative Hot Air Convection technology ensures an optimal heat distribution and a pleasantly quiet operation. 5 programmes that can be individually adjusted, 4 temperature levels up to 200 °C and the 60-minute-timer make it pleasantly easy to use; a fingertip touch on the sensors is all it takes. The handling of the appliance is reassuringly safe; amongst other things this is guaranteed by the heat-insulated casing and an overheat protection. The use of high-quality materials and coatings also makes cleaning 'afterwards' very easy. The FRH 1500 is a contemporary addition to any household that values an easy, healthier, and more efficient way of cooking.
