

DIGITUS Universal Travel USB Charging Station, USB Type-C™

DA-10194

EAN 4016032430070

Universal Travel USB Charging Station, 40W, 2x USB A Quick Charge 3.0, 1x USB C, (EU/US/UK)

The Universal travel USB charging station from Digitus offers you the possibility to charge all your devices (notebook, ultrabook, convertible, tablet, smartphone, etc.). It can be used in more than 100 countries thanks to its three mains connection cables (EU, US, UK). It has a USB-C charging port (PD 2.0), which allows notebooks / ultrabooks, smartphones and tablets to be charged quickly and efficiently. Also installed are two Qualcomm® QuickCharge™ 3.0 USB charging ports which can be used to charge any mobile device (tablet, smartphone, camera, etc.). The maximum power of the charging station is 40W. Your perfect companion, be it at work or at home, at home or on the road. A charging station for everything - the Digitus Universal Travel USB charging station.
