

CLIMATE CONTROL PAC 7.2

The Eurom PAC 7.2 is, with 7000 BTU, a powerful mobile air conditioner that displaces 320 m³ of air per hour. It dehumidifies up to 0.8 liters per hour through the air drain hose. The PAC 7.2 comes with a remote control and timer.

- Isolation class IP20
- Drain pipe 150 x 1500 mm

Productnummer	380378
Cooling capacity	2000 W, 7000 BTU
Refrigerant	140 gr, R290
Dehumidifying capacity	0,8 l/h
Range low heat	22 m ² / 60 m ³
Range high heat	14 m ² / 40 m ³
Power selection	2
Air displacement	320 m ³ /h
Working temperature	18-35 °C
Timer	0 – 24 hours
Control	control panel, remote control
Isolation class	IP20
Overheat protection	yes
Energy class	A
Max. sound levels	65 dBA
Mounting	standing
Encasing	plastic
