Pro-Tower Wall

Floor stand for floor-wall mounting

Item no.: 2876

The Pro-Tower Wall is a floor stand for floor-wall mounting which is suitable for screens with a size of 55 - 86” | 140 - 218 cm.

The VESA mount can be equipped in landscape orientation from min. 200 x 200 mm up to max. 800 x 600 mm.

The VESA mount can be mounted at two heights and has an inclination adjustment (Tool needed).

Cables can be securely held in place using a side cable management system if required.

Thanks to the floor-wall mounting, the slim floor stand requires little space and is therefore also suitable for smaller rooms.

The maximum load capacity is 100 kg.

AV shelf included (optional use)

Integrated power strip from Bachmann

Side cable management system
