

MUGEN 5

BLACK EDITION

Product Specifications

Aesthetics and Style

This edition of the Mugen 5 redefines the classic CPU Cooler with a complete black finish. The heatsink, as well as the six copper heatpipes and the full mounting system are carefully electro-coated to archive a uniform and stylish look. The aluminium top plate is embellished with an eye-catching diamond cut Scythe logo.

Top-tier Performance

The Mugen 5 Black Edition comes with a new, all-black Kaze Flex 120 PWM fan, upgraded to a max rpm of 1.500, that pushes the performance of the cooler to the next level. The Kaze Flex Fan series is equipped with a self-contained fluid dynamic bearing (Sealed Precision FDB) which is optimized for low noise and high performance. Additional fan clips for an optional second fan are included.

Excellent RAM Compatibility

The asymmetrical design provides excellent access to memory slots (front bank) and does not even overhang RAM modules with a tall heat-spreader. The cut-out fins in the rear allow full compatibility on LGA2011 / LGA 2066 motherboards. Standing only 154.5mm in height, Mugen 5 Black Edition provides excellent compatibility with most tower cases on the market.

Technical Data

Weight	890 g / 31.39 oz (incl. fan)
Dimensions (WxDxH)	136x110.5x154.5mm/5.24x5.35x6.08in
Fan Dimensions (WxDxH)	120x120x27mm/4.72x4.72x1.06in
Fan Speed	300 rpm (±200) ~ 1.500 rpm (±10%)
Bearing Type	Fluid Dynamic Bearing
Noise Level	4.0 ~ 29.75 dBA
Airflow	16.6 ~ 66.47 CFM 28.20 ~ 112.93 m³/h
Noise Level	0.0762~1.67 mmH2O / 0.75~16.38 Pa
Compatibility	Intel LGA 115x/1200/2011/2066 AMD Socket AM2(+)/AM3(+)/AM4/FM1/FM2(+)

Accessories

Mounting parts for Intel- & AMD sockets, thermal grease, fan, fan clips, manual, screwdriver

Package Weight	1.62 kg / 57.15 oz
Package Size	162x147x177 mm / 6.35x5.79x6.97 in
Carton Info W x D x H	12 pcs. / 21.8 kg / 48.1 lbs 59 x 40 x 40 cm / 23.3 x 15.7 x 15.7 in

Item Number	SCMG-5100BE
EAN	4571225057811
UPC	812623021689
