

CRUCIAL P2 SSD

Boost your computer's potential.

Fast, affordable, reliable.

All the speed you need at a price that won't break the bank.

Whether you're at work, in the game, or on the go, ordinary bootup speeds can frustrate your best laid plans. Good thing the Crucial® P2 SSD really flies. With plenty of storage and performance accelerated by NVMe™ technology, the P2 has the speed and dependability you need to explore your computer's potential.

Impressive speeds up
to 2400MB/s⁴

5

5-year limited
warranty

Do More. Wait Less.

Experience the NVMe™ difference. The Crucial P2 unlocks the performance of your computer, delivering shorter load times and faster data transfers¹.

Lasting Reliability

Backed by thousands of validation hours, dozens of qualification tests, a heritage of award-winning SSDs, and a 5-year limited warranty².

Peace of Mind

Includes SSD management software for performance optimization, data security, and firmware updates.

One of the Largest Storage Manufacturers Worldwide

Crucial® is backed by the quality and engineering innovation you've come to expect from Micron, the producer of some of the world's most advanced memory and storage technologies for over 40 years.

Life Expectancy (MTTF)

1.5 million hours

Endurance

2TB: 600 Total Bytes Written (TBW)

1TB: 300 Total Bytes Written (TBW)

500GB: 150 Total Bytes Written (TBW)

250GB: 150 Total Bytes Written (TBW)

Data Transfer Software

Acronis® True Image™ for Crucial® cloning software

Operating Temperature

0 °C to 70 °C

Compliance

CE, FCC, VCCI, KC, RCM, ICES, Morocco, BSMI, Ukraine, UL, TUV, China RoHS, WEEE

Advanced Features

- Dynamic Write Acceleration
- Redundant Array of Independent NAND (RAIN)
- Multistep Data Integrity Algorithms

- Adaptive Thermal Protection
- Integrated Power Loss Immunity
- Active Garbage Collection
- TRIM Support
- NVMe standard Self-Monitoring and Reporting Technology (SMART)
- Error Correction Code (ECC)
- NVMe Autonomous Power State Transition (APST) Support

Warranty

5-year limited warranty or 2TB – 600TBW, 1TB – 300TBW, 500GB – 150TBW, 250GB – 150TBW²

Installation

Crucial® P2 SSD

Capacity ³	Part Number	Sequential Read ⁴	Sequential Write ⁴	Box Contents
2TB	CT2000P2SSD8	2400MB/s	1900MB/s	Crucial® Storage Executive Acronis® True Image for Crucial Crucial Easy SSD Install Guide
1TB	CT1000P2SSD8	2400MB/s	1800MB/s	
500GB	CT500P2SSD8	2300MB/s	940MB/s	
250GB	CT250P2SSD8	2100MB/s	1150MB/s	

1. Speed comparison based on published specs of the Crucial P1 SSD and the Crucial MX500 SSD.

2. Warranty valid for five years from the original date of purchase or before writing the maximum total bytes written (TBW) as published in the product datasheet and as measured in the product's SMART data, whichever comes first.

3. Some of the storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes. Not all capacities available at initial launch.

4. Typical I/O performance numbers as measured using CrystalDiskMark® with write cache enabled, a queue depth of 64 (QD = 8, Threads = 8). Fresh out-of-box (FOB) state is assumed. For performance measurement purposes, the SSD may be restored to FOB state using the secure erase command. System variations will affect measured results.
