USB 3.0 HUB, 4-port Data transfer up to 5GB, 5V/2A adapter, Black

ednet's USB 3.0 Hub extends your workstation to enable you to work with up to four USB devices at the same time. Thanks to Plug & Play installation, the device can be used straight away on any notebook or PC. USB 3.0 technology enables SuperSpeed data transfer rates of up to 5 Gbps. Downward compatibility with USB 2.0/1.1 enables you to continue using older USB devices, as well. The small, compact housing can be placed on any desk and proves ideal when you are traveling.

The connection extension for your workstation with SuperSpeed!

- Four USB 3.0 connections
