energy rating A+++

A+++:
Product energy rating, measured from A+++ to D / G depending on the prodct family.

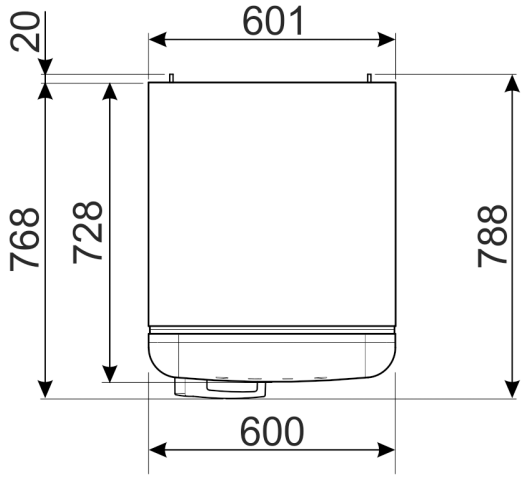

Fast freezing:
The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

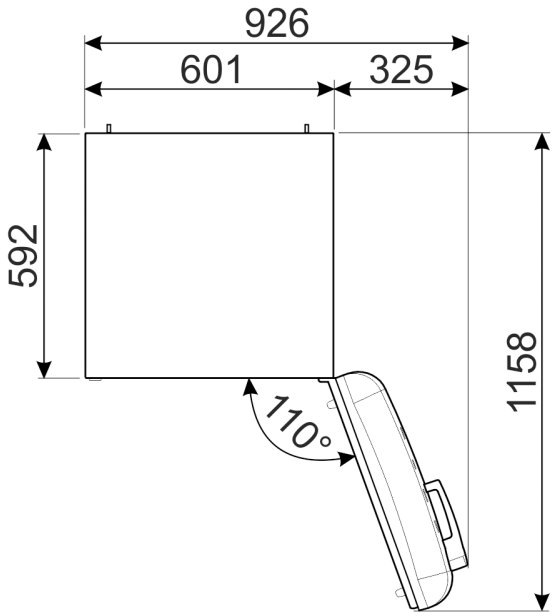

Automatic defrost:
The automatic defrost system works by automatically defrosting the fridge section at regular intervals eradicating the need to defrost altogether.

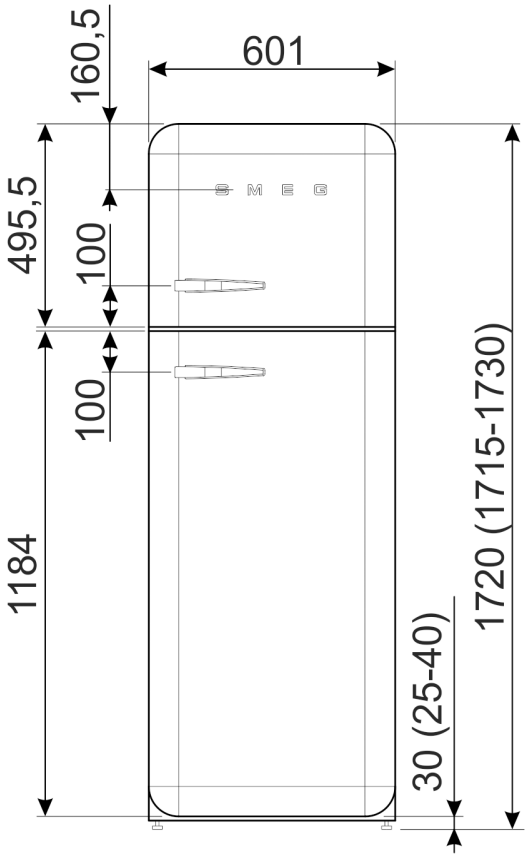

LED interior lighting:
is a more energy efficient and long lasting way of illuminating the interior of the appliance.
