

STRAIGHTENING HAIR STRAIGHTENER

P301PIS200

Hair straightener with ceramic coating for even heating and adjustable temperature for different hair types. Equipped with a screen with ultra-bright LED light for 6-level temperature control from 130°C to 230°C. Thanks to rapid heating and oscillating plates, you can achieve perfect results at speed. With 360° swivel cord for easy styling, convenient hook for hanging and plate lock for easy portability. Universal voltage and automatic switch-off after 60 minutes of non-use.
