

Hybrid radio  
featuring  
with battery and  
radio warning system

## TELESTAR DIRA M 1 A mobil

The small-sized TELESTAR DIRA M 1 A mobil represents state-of-the-art radio technology: It receives digital DAB+, analogue FM as well as over 25.000 web radio stations. This device supports the EWF radio warning system and Journaline Radio text. The rechargeable battery makes it a perfect outdoor companion. Although small-sized, it creates a solid sound experience thanks to the full range speaker featuring 10W output power, whose properties may be adjusted

to individual preferences via equalizer mode. The DIRA M 1 A mobil is UPnP and DLNA compliant and comes with a versatile USB media mode, supporting play back of different types of data as well as a state-of-the-art record mode. Many user-friendly features, such as alarm clock mode, sleep timer, multilingual menu, and favourite keys top off the list of its features and make the TELESTAR DIRA M 1 A mobil an outstanding and very versatile radio.
