Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.

Quality and durability

Philips tests SENSEO® coffee machines for more than 10,000 cups during development, to ensure high standards in quality and durability

One-button operation

With this coffee pod machine you can easily prepare one or two cups of coffee with the simple one button operation.

1 or 2 cups at the same time

This SENSEO® coffeemaker prepares one or two cups of your delicious SENSEO® coffee in less than a minute.

Unique brewing system

At SENSEO® we know how to get the best out of the coffee bean to make great tasting single serve coffee. The operation of the SENSEO® system is simple and brilliant. Water is pumped from the boiler to the coffee pad. The hot water releases the aroma from the pad and gives a perfect cup of coffee. SENSEO® always offers you quality that you can taste.
