Hot drinks machine, TASSIMO STYLE TAS1103GB

Highest drink variety and quality

- Large variety of high quality hot beverages: freshly brewed coffee, espresso, cappuccino, latte macchiato, hot chocolate or tea straight away
- Two leading companies have joined forces for a high quality hot beverage system
- Patented bar code technology identifies the drink selected and adjusts the amount of water, brewing time and the temperature to make the perfect cup everytime
- Cleaning disc for purging the system and keeping your machine clean and fresh
- Manual adjustment of drinks possible
- No transition of taste: brewing takes place within T-DISC capsule; after each brewing cycle system is cleaned through steam purge

Highest Convenience

- Easy to use, one button operation with Tassimo T-Discs
- Innovative flow heater technology means there is virtually no heat-up time.
- 5 LED user interface provides user with current information about machine status: Standby, Automatic mode, Manual mode, Refill water tank, machine needs to be descaled
- Automatic cleaning and descaling programme
- Height adjustable and removable cup stand with stainless steel drip tray: can be fully removed for tall latte glasses or travel mugs
- Removable water tank integrated into housing unit 0.7 l

Contemporary, high-value design

- Space saving design
- Trendy and compact design

Quick and energy efficient drink preparation

- Innovative heating technology: only the required amount of water is heated on demand
- Low energy consumption: convenient auto-off after brew cycle
