

GARMENT STEAMER

Model: 4167/00
Code: 00P416700AR0
EAN: 8003705114784

The portable garment steamer is the vertical ironing machine designed to ensure easy vertical ironing of creased fabrics or to reinvigorate garments which have been stored for a long time in the wardrobe. Steam immediately ready, lightweight and easy to handle, the vertical ironing machine supplies a powerful and efficient steam, able to immediately give back radiance to shirts and sweaters.
