

TBS - 100 - compact notebook stand made of aluminum

The TBS-100 is a compact notebook stand made of aluminum, which is suitable for all common notebooks and tablets in 11-14". It is stepless adjustable in height and tilt angle. Further it contributes to the cooling of the notebook passively due to its open frame design.

Thanks to its compact dimensions, the TBS-100 fits on almost all work surfaces and is just 140x149x25mm when folded, which makes it the perfect companion in the notebook bag.

Rubber pads protect the notebook and the work surface from scratches and prevent annoying vibrations that can arise when working with the notebook.
