Great coffee for the whole family or guests

Imagine having irresistible coffee available at home or in the office at any time, with its intoxicating aroma that entices you from afar. With the **ECG KP 2150 Stripe** coffee machine, this idea becomes a reality. This drip coffee machine from the ECG Stripe design series can prepare **up to 12 cups at once** - thanks to the **1.5-liter glass jug** with a practical **water level indicator**, you can easily prepare an aromatic drink to your taste for the whole family, all colleagues and large visitors. In addition to coffee, this machine also allows you to prepare hot tea using a special function. So everyone can find something to suit their needs. In terms of design, the coffee maker stands out with its elegant workmanship combining **quality glass**, **robust high-gloss plastic** and stylish **chrome elements**. These materials ensure not only a nice appearance, but also a long service life, reliable operation and the necessary durability.

Maintains optimal temperature

With this coffee maker, you have your favorite coffee at the ideal temperature, whether you want to drink it immediately after preparation or enjoy it a little later. The ECG KP 2150 Stripe also has a practical **keep warm** function.

Trouble-free maintenance and safe operation

The ECG KP 2150 Stripe drip coffee maker is designed with your comfort and safety in mind. Its **nylon filter** is easy to wash. Thanks to the **Drip-Stop** system, there is no unwanted dripping of the drink when removing the kettle. And you can safely **wash the glass kettle in the dishwasher**. Stable **non-slip feet** in cooperation with the **heat-insulated handle** and built-in **overheating protection** ensure that working with the coffee maker is safe at all times. You can keep an eye on the current operation of the coffee maker thanks to the **on/off switch with LED indicator**.
