

10/100/1000Mbps PCI network adapter - rev2

The easiest way to extend your computer with a connection to Gigabit Ethernet!

EM4028

EAN: 8716065003420

OVERVIEW

- Future-ready the easy way!
- High-speed wired networking
- Data transfer speeds up to 1000Mbps
- Extremely reliable and stable
- Easy installation
- 5 year warranty
- Accessible help desk
- Multi-lingual user manual

SPECIFICATIONS

- 5 YEAR WARRANTY
- Interface: PCI
- Data transfer rate: 1000 Mbit/s (max)
- Ports: 1-Port RJ45, IEEE 802.3, IEEE 802.3u, IEEE 802.3ab
- Bootrom support: Yes
- PCI bus: Local Bus Master Rev.2.1 and 2.2 compatible
- Full-duplex Flowcontrol: yes
- Supports Autonegotiation and Crossover detection
- Supports Wake On LAN function and IEEE 802.1Q VLAN tagging
- Chipset: Realtek RTL8169

10/100/1000Mbps PCI network adapter - rev2

The easiest way to extend your computer with a connection to Gigabit Ethernet!

DESCRIPTION

Due to the constantly increasing demand for bandwidth thanks to audio and video applications, internet websites full of interactive content and internal applications, the demand for high-speed networking solution rises as well. Eminent offers an attractive way to prepare your computer for the future in networking: Gigabit Ethernet. With data transfer speeds up to 1000Mbps a Gigabit network offers enough 'room' for even the largest applications. The EM4028 offers a reliable and stable solution. Your computer is future-ready in no-time!
