

## USB-C Portable Docking 9-in-1 HDMI

Portable docking station, ideal for mobile work and business travel. Always plenty of connections.

The design of notebooks has evolved steadily over the years. Always lighter, thinner and more agile. Comfortable to carry, comfortable to use. However, most trendsetters no longer offer enough USB ports to connect all peripheral devices. The new, practical USB-C Portable Docking 9-in-1 with HDMI is the solution. Enjoy maximum productivity everywhere you go. The DICOTA docking turns one single USB-C into nine ports. Plug and play, you don't need additional device configuration. Ideal for professionals that constantly travel.
