LET THE GAMES BEGIN

MSI Z77 GAMING motherboards are designed to provide gamers with best-in-class features and technology. Backed by the imposing looks of MSI's Dragon, each motherboard is an engineering masterpiece tailored to gaming perfection.

GAMING DEVICE PORT

Double your reaction speed thanks to the special PS/2 and USB ports that are optimized with triple gold plating for high-frequency gaming devices.

MULTI-GPU

The Multi-GPU capabilities make it possible to intelligently scale graphics performance by combining two compatible GPUs and unlock game-domination power.

MILITARY CLASS III

Having passed MIL-STD-810G testing, the components used exclusively by MSI will ensure your system's stability even under the most demanding gaming scenarios.

SPECIFICATIONS
