

PREMIUM QUALITY, FLAWLESS VICTORY.

The MP511 Speed Sakura Limited Edition Gaming Mouse Pad is an upgrade in every sense of the word, adding skill points to durability, comfort, accuracy and performance. The surface is made from high quality jersey cloth so there's no need to worry about sweat, tears, and energy drinks nerfing your performance due to its splash-resistant surface. The smooth fabric blend ensures precision, while anti-fray stitching prevents pesky peeling. Sturdy and built to last, the MP511 Speed is designed to enhance your gameplay and improve the comfort in serious battles.

FEATURES

Smooth Gaming-Grade Surface - Slick surface optimal for speed and precision

Optimized for Gaming - Engineered to increase accuracy and smooth control.

Splash-resistant Surface - Resistant to sweat, tears and abrasions, prolonging its life and preventing unpleasant smells.

Anti-Fray Stitching - Extends the life of your pad by preventing peeling around the edges.

Non-Slip Rubberized Base - Ensure your mouse pad will stand its ground when you stand your ground.

Sakura Limited Edition - Specific design for Sakura series, limited Edition!
