Work Smarter with Crux

Master your workflow with Crux's nine programmable shortcut buttons, pre-configured with handy office shortcuts like Activate Copilot or Take Screenshot. Don't like our shortcuts? Create your own with our easy to use ALOGIC Control App, available on Mac and Windows.

When you're not enjoying Crux's customisable shortcuts, you'll enjoy its ergonomic thumb rest, whisper-quiet main buttons and hand LCD screen that shows battery and connection information.

Switch devices with a single click

Crux Wireless Mice can store up to three paired wireless devices, making it easy to multitask with your iPad and MacBook, or share a keyboard at a hotdesk.

No Batteries Needed

Crux Mice feature an integrated, USB-C charging battery which lasts weeks between charges, saving you the expense and hassle of swapping batteries in and out.
